AOB:

- A question was asked concerning the situation with Concord College. Alan reported that the only date we were offered by Concord was the end of August. They hold summer schools throughout the holiday and their safeguarding policy means that no one else is allowed on site. Alington Hall at Shrewsbury school was suggested but we felt it was too far from Stretton; Ludlow was also felt to be unacceptable.
- There was a brief discussion on a successor for Richard.
- A question was asked to check that all evening events next year will be in the school or church.

Meeting closed 8.15pm, with thanks to all who had attended.
