** arr James ** arr Garbutt*

French Horn ConneXion is a mixed group of professional and amateur horn players who live in the Shrewsbury area and enjoy exploring repertoire for horn ensemble. They play both existing music and new compositions and arrangements by members of the group, and have played in many venues locally including St Chad's, Shrewsbury, Church Stretton URC, Attingham Park and Bishop's Castle Town Hall, as well as in previous Coffee Concerts. They are joined today by friends on percussion.
